

Ludwigsburger Summer Camp 2020

You don't have any plans for the upcoming summer holidays yet? You want to spend some time with other kids and have lots of fun? You want to prepare yourself for the next school year?

Dear parents, dear students,

due to the coronavirus many of us had to cancel their plans for the upcoming summer holidays. Even the schools had to close and most of us were forced to study or work from home. For some of you this might have been, or still is, a real challenge. For a long time we were not allowed to meet with our friend and classmates or go to our sports clubs and music lessons.

Many holiday camps were cancelled, so we created the “Ludwigsburger Summer Camp 2020”, where we can still meet each other and have a great time together. It is very important to us that each and every one of you can be a part of it and that it is safe for all of us!

We are looking forward to meeting you!
